ORDER

The government has filed an unopposed motion to correct scrivener's errors in the indictment. Dkt. [28]. For the reasons in the motion, that motion is **GRANTED**. See *United States v. Corrigan*, 912 F.3d 422, 428 (7th Cir. 2019) (finding no error in a pretrial amendment that corrected typographical errors, including the identity of a victim of one of the counts).

The Court therefore **ORDERS** that the words "instructed Victim 1 to" be removed from the text of Paragraph 12 of the Indictment and replaced with the word "did," and that the word "weeks" be removed from the text of Paragraph 17(a) of the Indictment and replaced with the word "years."

The government **SHALL FILE** the amended indictment as a separate docket entry.

SO ORDERED.
